## FOOTPRINTS (Man/Woman option)

One night a man had a dream. He was walking along the beach with the Lord, and across the sky flashed scenes from his life. In each scene, he noticed two sets of footprints in the sand; One made by him and the other by the Lord. When the last scene of his life flashed before him, he looked at the footprints in the sand, and noticed that many times along the path of his life there was only one set of footprints. He also noticed that it happened at the worst times of his life. This bothered him, so he asked the Lord about it. "Lord, You said that once I decide to follow You, You'd walk with me all the way. But I've noticed that during the time of trouble there is only one set of footprints. I don't understand why You left me when I needed You most."

The Lord replied, "My precious child, I love you and would never leave you. During your times of trouble where you see only one set of footprints, it was then that I carried you."

V2

## SERENITY PRAYER

God grant me the Serenity to accept the things I cannot change ...  
 Courage to change the things I can,  
 And the wisdom to know the difference.

V3

## THE LORD'S PRAYER

Our Father, who Art in heaven, hallowed be Thy name. Thy kingdom come, Thy will be done on earth as it is in heaven. Give us this day our daily bread. And forgive us our trespasses, as we forgive those who trespass against us. And lead us not into temptation, but deliver us from evil. For Thine is the kingdom, and the power, and the glory, forever and ever. Amen.

V4

## PRAYER OF ST. FRANCIS OF ASSISI

Lord, make me an instrument of your peace;  
 where there is hatred, let me sow love;  
 where there is injury, pardon;  
 where there is doubt, faith;  
 where there is despair, hope;  
 where there is darkness, light;  
 and where there is sadness, joy.

O Divine Master,  
 grant that I may not so much seek to be consoled as to console;  
 to be understood, as to understand;  
 to be loved, as to love;  
 for it is in giving that we receive,  
 it is in pardoning that we are pardoned,  
 and it is in dying that we are born to Eternal Life.

V5

## THE BEST

With tearful eyes we watched you,  
 and saw you pass away,  
 and although we loved you dearly,  
 we could not make you stay.  
 A golden heart stopped beating,  
 hard working hands at rest.  
 God broke our hearts to prove to us,  
 He only takes the best.

V6

Silent thoughts  
 of time together  
 hold memories  
 that will last forever.

V7

If tears could build a stairway,  
 and memories a lane,  
 I would walk right up to Heaven  
 and bring you back again.

V8

## GOD SAW THAT YOU WERE WEARY

God saw that you were weary  
 He did what He thought best  
 and gently held you in His arms  
 and said "Come with Me and rest".

V9

## GOD SAW YOU GETTING TIRED

God saw you getting tired,  
 And a cure was not to be,  
 So He put His arms around you  
 And whispered, "Come to Me".

# Verses

V10

I cannot stop the hands of time  
Nor live again the past,  
But I shall love and think of you  
As long as time shall last.

V11

We knew the time was coming  
when we would have to say goodbye.  
Our hearts are filled with sadness,  
but memories will never die.  
Rest peacefully ...  
in some place green,  
some place nice,  
some place that you call paradise.

V12

## THE WINDS OF LOVE (Long Version)

Our hearts are filled with memories,  
of times we used to share,  
although we cannot see you,  
we know that you are still there.  
May the winds of love blow softly  
and whisper for you to hear,  
that we love and miss you dearly  
and wish that you were still here.

V13

## THE WINDS OF LOVE (Short Version)

May the winds of love blow softly  
and whisper for you to hear.  
That we will love and remember you  
and forever keep you near.

V14

## ONE AT REST

Think of me as one at rest.  
For me you should not weep.  
I have no pain, no troubled thoughts,  
For I am just asleep.  
The living thinking me that was  
Is now forever still.  
And life goes on without me, as time forever  
will.  
If your heart is heavy now because I've gone  
away,  
Dwell not for long upon it friend,  
For none of us can stay.  
To those of you who liked me  
I sincerely thank you all.  
And those of you who loved me  
I thank you most of all.

V15

## DO NOT STAND AT MY GRAVE

"Do not stand at my grave and weep, I am  
not there – I do not sleep. I am the thousand  
winds that blow. I am the softly falling snow.  
I am in the gentle rain. I am the golden fields  
of grain. I am in the morning hush. I am the  
graceful rush of beautiful birds in circling  
flight. I am the star-shine of the night. I am in  
the flowers that bloom. I am in a quiet room.  
I am the birds that sing. I am in each lovely  
thing. Please don't stand at my grave and cry,  
I'll live in your hearts as the years go by."

V16

You had a smile for everyone,  
You had a heart of gold,  
You left behind the memories  
That we will always hold.

V17

His pleasures were simple  
His needs were few  
If his family was happy  
He was too.  
He gave us love in the fullest measure  
Care, devotion and memories to treasure  
He shared our dreams, hopes and tears  
Thank you ... for those precious years.

V18

## ON LEND

Life is given, but only on lend  
And the life you were given  
Has come to an end.  
You've laughed and played,  
You fought and cried,  
And you battled to the end  
With dignity and pride.  
So on you go now, to your life above  
And leave us all here,  
With our memories and our love.

V19

## WHEN I MUST LEAVE YOU

When I must leave you for a little while, please do not grieve and shed wild tears and hug the sorrow to you through the years. But start out bravely with a gallant smile; and for my sake and in my name live on and do all things the same. Feed not your loneliness on empty days, but fill each waking hour in useful ways. Reach out your hand in comfort and cheer and I in turn will comfort you and hold you near; and never, never be afraid to die, for I am waiting for you near by.

V20

## THE ROAD HOME

When I have come to the end of the road, and the sun has set for me, I want no rites in a gloom filled room, why cry for a soul set free? Miss me a little – but not too long, and not with your head bowed low, remember the love that we once shared, miss me – but let me go.

For this is a journey that we all must take, and each must go it alone. It's all a part of the Master's plan, a step on the road to home. When you are lonely and sick of heart, go to the friends we know, and lose your sorrows in doing good deeds. Miss me – but let me go.

V21

## PSALM 23

The Lord is my shepherd; I shall not want.  
He maketh me to lie down in green pastures;  
He leadeth me beside the still waters.  
He restoreth my soul; He leadeth me in the paths of righteousness for His name's sake.  
Yea, though I walk through the valley of the shadow of death, I will fear no evil: for Thou art with me; thy rod and thy staff they comfort me. Thou preparest a table before me in the presence of mine enemies: Thou anointest my head with oil, my cup runneth over. Surely goodness and mercy shall follow me all the days of my life: and I shall dwell in the house of the Lord forever.

V22

Tired and weary you made no fuss  
You tried so hard to stay with us.  
You suffered so much and told so few  
You never deserved what you went through.

V23

Thank you for the years we shared,  
The love you gave, the way you cared.  
In our hearts you will always stay,  
Loved and remembered every day.

V24

## REMEMBER ME

So as you stand upon a shore, gazing at the beautiful sea, remember me.  
As you look upon a flower and admire its simplicity, remember me.  
Remember me in your heart, your thoughts ... and your memories.  
Of the times we loved ... the times we cried, the times we fought ... the times we laughed.  
For, if you will always think of me, I will never be gone.

V25

## IRISH BLESSING

May the road rise to meet you.  
May the wind be always at your back.  
May the sun shine warm upon your face, the rains fall soft upon your fields, and until we meet again may God hold you in the palm of His hand.

V26

A chapter completed  
A page is turned  
A life well lived  
A rest well earned.

V27

Our thoughts are always with you  
Your place no one will fill  
In life we loved you dearly  
In death we love you still.

# Verses

V28

You never failed to do your best,  
Your heart was true and tender.  
You simply lived for those you loved,  
And those you loved remember.

V29

To hear your voice, to see you smile,  
To sit and talk to you awhile.  
To be together in the same old way,  
Would be our greatest wish today.

V30

It's not what we write,  
It's not what we say,  
It's how we remember you  
In our own special way.

V31

In our hearts  
You will always stay,  
Loved and remembered  
Every day.

V32

No longer in our lives to share,  
But in our hearts you'll always be there.

V33

God has you in His keeping  
We have you in our hearts.

V34

To live in the hearts of those we love  
Is not to die.

V35

A special person,  
A special place,  
A special someone  
We cannot replace.

V36

To the world you were but one,  
To us you were the world.
